

## Let Me Help

### "Let Me Help"

Those three words define the mission of the Julien Fleming Memorial Fund. Our goal is to make the world a better place one child at a time.

Although Julien passed away at a young age, he had tremendous impact. He helped us to realize the goodness and compassion in ourselves. We celebrate his life by helping others around us.

There is nothing as rewarding as being able to present a grant to a deserving family. The costs for co-pays, medication (especially for orphan diseases), and non-medical items required for care quickly add up and can overwhelm a family. A grant from the Fund provides a brief respite from the financial worries; for that moment, the family can concentrate on their child.

Over the years, we have helped a number of children including those fighting cancer, or suffering permanent injury from accidents, those with orphan diseases undergoing costly experimental treatments, and some with congenital diseases who may not survive into adulthood.

All these children need your help.

Thank you, from the Board of Directors of the Julien Fleming Memorial Fund.

## Who Was Julien Fleming?

Julien Fleming was a boy who lived in Sterling, Virginia in the 1990s. When he was three years old, he was diagnosed with a genetic neurological condition called GM1-gangliosidosis. The disease is so rare that it took his doctors nearly a year to diagnose it.

Once Julien was diagnosed, his mother, Donna, quit her job in order to care for him full time. The family had minimal medical benefits, and Julien's treatment cost over \$1,200 per month.

For the last three years of Julien's life, the major source of money for his medical care was from a few close friends and various fundraisers.

Julien passed away on November 29, 2000. He left this world peacefully, surrounded by his family.

In November 2002, the Julien Fleming Memorial Fund, Inc. was recognized officially as a 501(c)3 non-profit public charity to help other children in Julien's memory.

Thank you for supporting the Julien Fleming Memorial Fund and these precious children.

## The Julien Fleming Memorial Fund

The Julien Fleming Memorial Fund was established to help families whose critically or terminally ill children need treatment beyond the family's ability to pay. Even for those with medical insurance, non-covered expenses can easily soar to thousands of dollars.

We strive to keep Julien's memory alive by providing grants to these families in his memory. Recipients are selected by our Board of Directors, which includes Julien's mother.

Please help us to continue our mission to provide these grants. No donation is too small. To a child in need, every penny is a symbol of love and caring.

Every penny donated to the Fund goes directly to grants to help these children.

If you know of a family who needs help with the cost of caring for a seriously ill child, please contact us for information on applying for a grant.

Thank you for supporting the Julien Fleming Memorial Fund.

The Julien Fleming Memorial Fund is a 501(c)(3) public charity and a registered corporation in Virginia.

## How You Can Help

Your donation to the Julien Fleming Memorial Fund is used to help families with critically or terminally ill children in times of need. We keep administrative expenses to the absolute minimum so that every cent possible is used for grants.

Donations may be sent to:
